THE PALOZOLA FOUNDATION

Maria Palozola, a nationally known golf professional, and her sister Sally Palozola Cherre began The Palozola Foundation in 2018. Their goal was to honor their father, grandfather and nephews who were all United States Veterans. The Palozola family has a history of loving the game of golf, so the sisters began The Palozola Foundation, also known as "Forces on the Fairways" with the idea of helping our local veterans through golf.

OUR PROJECTS

To date, the Palozola Foundation has or is:

- Held five sold out "Forces on the Fairways" golf tournaments.
- Established seven locations for the Forces on the Fairways Veteran's Golf League throughout the metro area. **FREE TO VETERANS!**
- Donated two Forces on the Fairways accessible golf carts and a Forces on the Fairways accessible range chair to allow veterans to play and practice more accessibly.
- Sponsoring Amputee Veterans competing in competitive tournaments nationwide.
- Serving veterans through the Forces for Food Pantry at Jefferson Barracks.

All our projects are created to allow us to further our mission: "To heal the body, mind and spirit of Veterans through golf."
