THE PALOZOLA FOUNDATION

Maria Palozola, a nationally known golf professional, and her sister Sally Palozola Cherre began The Palozola Foundation in 2018. Their goal was to honor their father, grandfather, and nephews who were all Veterans of the United States Military.

The Palozola family has a long history of loving the game of golf, so the sisters began The Palozola Foundation, and its project "Forces on the Fairways" with a mission "To heal the body, mind, and spirit of Veterans, through golf."

OUR PROJECTS

To date, the Palozola Foundation has or is:

-  Sold out nine consecutive "Forces on the Fairways" golf tournaments.
-  Run summer, fall, and winter golf leagues free of charge to Veterans at eight area locations, providing Veterans with a "safe place" to tell stories and connect.
-  Partnering with PGA Hope and facilitating spring and fall golf clinics so hundreds of Veterans can learn and participate.
-  Donated two Forces on the Fairways accessible golf carts and an accessible range chair to allow Veterans to play and practice more accessibly.
-  Sponsoring select amputee Veterans competing in competitive tournaments nationwide.
